**2020/21 Academic Year  
16 – 19 BURSARY FUND  
POLICY**

Approved by Board of Directors

Next update  
September 2021  
for 2021/22 Academic Year

## What is the 16 to 19 Bursary Fund?

The 16 to 19 Bursary Fund is made available from the Government through the Education Skills Funding Agency (ESFA) and provides financial support to help students overcome specific financial barriers to participation so they can remain in education.

The Trust's policy has been developed in line with the ESFA guidance to ensure that all students are treated in a fair and consistent way.

## Who is eligible?

There are two types of 16 to 19 bursaries and a student must be aged 16 or over but under 19 at 31 August 2020 to be eligible for help from the bursary fund in the 2020 to 2021 academic year:

- bursaries for defined **vulnerable** groups of up to £1,200 a year;
- **discretionary** bursaries which the Trust awards to meet individual needs, for example, help with the cost of transport, meals, books and equipment.

## Grant Funding Available

- The **Vulnerable** bursary grant, up to £1,200, is claimed by the Trust from the ESFA on an individual claim/student basis.
- The **Discretionary** bursary grant is allocated to the Trust by the annual 16-19 formulaic bursary grant awarded from the ESFA. This is a finite allocation for the Trust to distribute in line with the policy. The Trust will set aside 20% of the 16-19 Discretionary Bursary amount provided to accommodate changes in circumstance and ensure that requests for funding from students received after 31 October can be accommodated.

## Eligibility criteria: Group 1

### Bursaries for young people in defined **Vulnerable** groups

The defined vulnerable groups are students who are:

- in care;
- care leavers;
- receiving Income Support, or Universal Credit because they are financially supporting themselves or financially supporting themselves and someone who is dependent on them and living with them such as a child or partner;
- receiving Disability Living Allowance or Personal Independence Payments in their own right as well as Employment and Support Allowance or Universal Credit in their own right.

The bursary for vulnerable groups can pay up to £1,200 per year to a student participating on a study programme that lasts for 30 weeks or more. Students on study programmes of less than 30 weeks will be paid a pro-rata amount.

Definitions of students in Vulnerable Groups can be found in the ESFA guidance

<https://www.gov.uk/guidance/16-to-19-bursary-fund-guide-2020-to-2021-academic-year#:~:text=All%20ESFA%20funded%20institutions%20in,they%20assess%20need%20financial%20help.>

## **Pro-rata bursaries for vulnerable groups**

The Trust may decide that although a young person may be eligible for a bursary because they are in one or more of the defined vulnerable groups, they do not have any actual financial need. This might be because their financial needs are already met and/or because they have no relevant costs. The Trust can refuse a student's application on this basis. Similarly, students should only receive the amount they actually need to participate and not automatically receive £1,200 if they do not need the full amount. Equally, the Trust can pay a bursary to a vulnerable group student of more than £1,200 if they assess they need extra help to remain in education. Any payments over £1,200 must be paid from the Trust's discretionary bursary allocation or from their own School budget funds.

## **Evidence of eligibility**

Institutions must obtain proof that students are eligible for a bursary for **vulnerable** groups and will retain copies for audit purposes. For example:

- for students who are in care or a care leaver, written confirmation of their current or previous looked-after status from the relevant local authority. The evidence could be a letter or an email from the local authority;
- for students in receipt of Income Support or Universal Credit, a copy of their Income Support or Universal Credit award notice. This must clearly state that the claim is in the student's name/confirm they are entitled to the benefits in their own right. The evidence must not state any conditions that prevent them from participating in further education or training;
- for students in receipt of Universal Credit, institutions must also see a tenancy agreement in the student's name, a child benefit receipt, children's birth certificates, utility bills etc;
- for students receiving UC/ESA and Disability Living Allowance and Personal Independence Payments, a copy of their UC claim from DWP (UC claimants should be able to print off details of their award from their online account). Evidence of receipt of Disability Living Allowance or Personal Independence Payment, must also be provided.

## **Eligibility criteria: Group 2**

### **Discretionary bursaries**

If your total gross household income is below £30,000 you will be able to apply for a bursary award. Evidence of household gross income will be required and may include:

- P60 or 2 months' pay slips or 4 weekly slips dated within 3 months;
- 2020 audited accounts or 2020 official tax return or Tax credits award 2020-21 showing self employed income;
- Pension – official letter showing an ongoing pension dated 2020 onwards;
- Universal credit and Earnings above £7,400 per year – all pages of the latest 3 award statements for 2020 onwards showing earnings for each period;
- Council Tax Reduction – all pages of an official letter showing ongoing benefit for 2020 onwards;
- Child Tax Credit and Income above £16,190 per year-all pages of the 2020-21 tax credits award or bank statements showing 3 consecutive payments dated within 3 months;
- Child Benefit – all pages of an official letter showing an ongoing benefit for 2020 onwards or bank statements showing 3 consecutive payments dated within 3 months;
- Other – please specify.

The application will be considered by the Trust's Bursary Committee during the first term of the academic year therefore claims must be submitted by 31 October for consideration. Any ad hoc claims after this date will be considered on the basis of the 20% funds remaining and on a first come first served basis. Students and their parents/carers should understand that the available fund is limited.

The Bursary Committee is made up of Director/Head of Sixth Form, Finance Officer and Sixth Form Secretary. The Director/Head of Sixth Form will offer information to the Committee about a student's circumstances, well-being, behaviour, progress and attendance.

### **What can the bursary fund be used for?**

- Books/materials/equipment
- Free/subsidised school meals
- Trips and enrichment
- UCAS fees and University open day visits
- Professional clothing for attendance at Sixth form or interviews
- Other items relevant to the individual student, this can include sportswear if appropriate to students post 16 course
- Travel – help with transport costs.

### **What the bursary fund cannot be used for**

The bursary fund is not intended to provide learning support - for example, counselling or mentoring, or to support extra-curricular activities where these are not essential to the students' study programme.

### **Conditions for receiving bursary funding**

The bursary for vulnerable groups and, the discretionary bursary is conditional on the student having satisfactory attendance, performance and behaviour.

### **How to make a claim?**

To make a claim, complete the application form of this Policy at:

- Appendix 1 and 3 for Group 1 Vulnerable bursary; or

### **Notification of qualification for the Bursary**

Students will receive a letter confirming receipt of their application to the '16-19 Bursary Fund' along with the support allocation awarded by the Bursary Fund Committee and, if appropriate, a payment scheme.

### **Paying bursary funding to eligible students**

ESFA encourages institutions to pay bursaries in-kind rather than cash as far as possible and does not recommend that large or lump sum bursary payments are made to students.

Any bursary payments made to you will be by BACS and outlined in detail when the award is made.

Bank details must be in the student's name.

*Exceptions can be made only if there are extenuating circumstance.*

### **Appeals**

Any student wishing to appeal against the Support Level allocated should do so in writing within two weeks of receiving their letter of Support Allocation. Appeals should be made to the Trust's Sixth Form Administrator. It is expected that further evidence to support the funding request will be provided by the student if called upon.

## **Administration contribution**

The Trust is permitted to use up to 5% of their allocation for administrative costs.

## **Recovering Funds due to Fraud**

This Trust is responsible for investigating instances of fraud relating to bursary fund applications. Significant fraud involves one or more of the following:

- the amount of money is over £1,200;
- the particulars of the fraud are novel, unusual, systemic or complex;
- there is likely to be great public interest because of the nature of the fraud or the people involved.

## **Rules on Unspent Bursary Funds**

The ESFA permits institutions to carry unspent bursary funds over to the next academic year and must continue to be used to support students in this category. The Trust must fully utilise any unspent funds for either discretionary bursary or free meals before using the new academic year allocation. Any remaining funds must be returned to the ESFA.

## **Audit, assurance and fraud**

16 to 19 Bursary Funds are subject to normal assurance arrangements for 16 to 19 education and training.

The Trust will retain copies of any documents the student has signed to give formal agreement to their conditions for payment.

Hard or scanned copies of documentation will be retained for 6 years.

Examples of documentation include:

For the bursary for vulnerable groups:

- a copy of the funding claim sent to SBSS;
- evidence showing that the student is eligible, for example, a letter from DWP or the local authority or a copy of the student's online Universal Credit statement;
- evidence of payments received from the SBSS, for example bank statements and remittance advices;

- evidence of payments made to the student.
